## Global Finance Names The World's Best Derivatives Providers 2018

NEW YORK, February 20, 2018 – *Global Finance* magazine has named its World's Best Derivatives Providers for 2018 as part of our 19th annual Best Investment Banks Awards to be published in the April 2018 issue.

“The derivatives market is continually adapting to new market and regulatory conditions, developing products of increasing complexity to serve the increasingly complex needs of the world’s multinationals,” said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. “The winners of our awards show the most creativity and flexibility, balanced with bottom-line commitment, in supporting corporate clients.”

*Global Finance* editors, with input from industry experts, used a series of criteria—including market share, service and advice, structuring capabilities, distribution network, efforts to address market conditions, innovation, pricing and market reputation—to score and select winners, based on a proprietary algorithm. Contracts enacted in 2017 were considered.
