Here is your opportunity to participate in the review process. *Global Finance* will obtain input from industry experts, corporate executives, investors and consultants. Banks and trading systems are welcome to present information and perspectives that may not be readily available to *Global Finance*. Performance will be judged over the period Q4 2013 through Q3 2014. It is not necessary to enter in order to win, but entries often include information that leads to an award. Those making submissions should provide concise information in the following areas:

1. Volume, market share, and scope of global coverage — submit data on the enclosed spreadsheets, along with any league tables or other comparisons with competitors.
2. Commitment to the business — submit (year-on-year) data on resource allocation to the FX business, the number of employees dedicated to FX, number and size of trading desks, and so on.
3. Technology — examples of leading-edge technology deployment.
4. Execution skills — examples of transactions that benefited clients, including skill in structuring transactions, and advice on market positioning and hedging, as well as liquidity and the ability to handle large transactions without moving the market.
5. Please provide the name/contact details of your global head of Foreign Exchange.

**NO APPLICATION FEE**

**Submissions should be made no later than October 14, 2014 and sent to:**

Katharine Frey, Email: [kfrey@gfmag.com](mailto:kfrey@gfmag.com) or *Global Finance*, 7 East 20th Street, 2nd Fl, New York, NY 10003
