Best Private Bank Awards 2020

Entry Deadline Extended to September 16

In the December issue, *Global Finance* will publish its selections for the fifth annual World's Best Private Bank Awards.

The ranks of the world's wealthy are growing faster than ever before, with new demographic segments on every continent achieving unprecedented prosperity. The new opportunities in wealth management are not without risk, however, tempered by rapid changes in technology and the regulatory environment as well as client expectations.

In this exciting yet challenging environment, the world's top private banks are showing their drive and creativity, developing new products and services to meet the wide-ranging needs of this growing sector. Whether providing access to alternative investments or devising new ways to give back through philanthropy, today's private bankers are rising to the challenges. *Global Finance* again honors the institutions that deliver outstanding service and innovative new opportunities to their high-net-worth clients.

Honorees will be recognized at a gala awards dinner in early 2020 – details will follow shortly.

Take advantage of this opportunity to participate in the review process.
