

## World's Best Bank Awards 2015

---

Global Finance will select the best banks by Region in North America, Europe, Central & Eastern Europe, the Middle East, Developed Asia, Emerging Asia, Latin America and Africa, as well as in the countries listed on the following page.

Here is your opportunity to participate in the review process. Global Finance will obtain input from industry experts, corporate executives, professional investors and consultants. Submissions should only include material suitable for the public domain. Global Finance will also conduct a poll of corporate readers and obtain input from industry analysts and experts. Those making submissions should provide concise information in the following areas:

2. Details of key capabilities and services offered
