Here is your opportunity to participate in the review process. Global Finance will obtain input from industry experts, corporate executives, investors and consultants. Banks are welcome to present information and perspectives that may not be readily available to Global Finance. Performance will be judged over the period between January 1, 2010 and December 31, 2010. It is not necessary to enter in order to win. Those making submissions should provide concise information in the following areas:

1. Key financials, including earnings, ROE and market share—submit data on number and size of deals, position on league tables or other comparisons with competitors
2. Details of key capabilities and services offered, including deal-structuring capabilities, distribution network and staff dedicated to investment banking
3. Innovation in financing and new product introduction
4. Competitive pricing and after-market performance of underwritten securities
5. Business unit head name and full contact details

Please note: Submissions should be in Word document format and should only include material that is suitable for the public domain.

NO APPLICATION FEE

Submissions should be made no later than February 7, 2011 and sent to:
