Global Finance Names The World's Best Digital Banks 2017

NEW YORK, November 2, 2017 — On November 2nd, *Global Finance* presented the World's Best Digital Bank Awards at its Digital Bank Conference and Awards Dinner at RSA House in London.

The overall winners for Global and Regional Corporate/Institutional Digital Banks and Consumer Digital Banks were announced. Also announced were the overall Global sub-category winners and the Best Islamic Digital Bank.

The grand prize of World's Best Digital Bank was presented to Citi.

A full report will appear in the December 2017 issue of *Global Finance*. Round 1 winners previously appeared in the September 2017 issue, covering winners in individual countries and regional sub-categories.

Global Finance's World's Best Digital Bank Awards are based on submissions from banks that wish to be considered. This year, nearly 300 individual banks from around the world entered the competition.

Representatives from Infosys, a global leader in consulting, technology and outsourcing solutions, comprised the Awards judging panel. Based on the judge's evaluations, *Global Finance's* editors made the final selections.

Winners were selected based on strength of strategy for attracting and servicing online customers, success in getting clients to use digital offerings, growth of online customer base, breadth of products offered, evidence of tangible benefits gained from digital initiatives, and web site design and functionality. Sub-category winners were selected on the basis of relative strength, products and services.

The list of winners announced in London follows.
