

Global Finance Names The Best Sub-custodian Banks 2020

NEW YORK, June 9, 2020 - Earlier today, on two digital events spanning the world's time zones, *Global Finance* magazine announced its selections for the 18th annual Best Sub-custodian Bank Awards in seven regions and more than 80 countries. A full report on the selections will appear in the July/August print and digital editions of *Global Finance* and online at GFMag.com.

Global Finance's editorial board considered market research, input from expert sources and entry information from banks to select the institutions that reliably provide the best services in local markets and regions. The criteria included customer relations, quality of service, competitive pricing, smooth handling of exception items, technology platforms, post-settlement operations, business continuity plans and knowledge of local regulations and practices. *Global Finance* also obtained input from users of sub-custody services. Performance was judged over the period covering January 1, 2019 through December 31, 2019.

"The *Global Finance* Best Sub-custodian Bank Awards recognize excellence in providing top-notch securities services to global clients, designed with deep market knowledge and executed through innovative technology," said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. "These institutions are leaders in safe and efficient solutions and sage advice."
