Global Finance Names The Safest Banks In North America 2018

NEW YORK, September 20, 2018 — *Global Finance* has named the Safest Banks in North America in an exclusive survey to be published in the November 2018 issue as part of the publication's 27th annual ranking of the World's Safest Banks.

Canadian banks make a strong showing this year, taking the top six spots.

The full report includes the following rankings: World's 50 Safest Banks, World's 50 Safest Commercial Banks, Safest Banks by Country, 50 Safest Banks in Emerging Markets, Safest Islamic Financial Institutions in the GCC, and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America and Western Europe).

"Our ranking of the Safest Banks in North America presents those banks that have created a consistently solid foundation and which offer security and reliability in today's changing political and economic environment. The ranking helps companies and investors to compare banks and their relative attributes within the region," said *Global Finance* publisher and editorial director Joseph D. Giarraputo.

Banks were selected through an evaluation of long-term foreign currency ratings—from Moody's, Standard & Poor's and Fitch—of the 500 largest banks worldwide.
