

Global Finance Names The World's Best Derivatives Providers 2019

NEW YORK, February 08, 2019 – *Global Finance* magazine has named its World's Best Derivatives Providers for 2019 as part of its 20th annual Best Investment Banks Awards to be published in the April 2019 issue. Winning organizations will be honored at an awards ceremony on the morning of October 19, 2019 at the National Press Club in Washington, DC during the IMF/World Bank Annual Meetings.

“Derivatives are an important tool for multinationals seeking to hedge their bets, and must rapidly evolve with rapidly changing conditions,” said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. “Our awards recognize the financial institutions that deliver their corporate clients innovative solutions for the modern global economy.”

Global Finance editors, with input from industry experts and bank entry submissions, used a series of criteria—including market share, service and advice, structuring capabilities, distribution network, efforts to address market conditions, innovation, pricing and market reputation—to score and select winners, based on a proprietary algorithm. Contracts enacted in 2018 were considered.
