

Most Improved Ratings: April 2012

Global Finance presents a list of those banks who have increased their rating the most since the 2011 World's Safest Banks Ranking.

NEW YORK, March 1, 2012 – Bank stability is an ever-more pressing concern for the world's corporations and investors. It is within this context that *Global Finance* announces the **Safest Banks: Most Improved Ratings** list.

Even in the face of tough market conditions some banks have actually improved their Safest Banks score by having their ratings upgraded since last autumn. With this in mind, *Global Finance* has launched a list of the **Most Improved Ratings**—those banks who have increased their score in the Safest Banks ranking.

This exclusive survey will be published in the April issue of *Global Finance*.
