

Global Finance announces **The Winners' Circle**
A ranking of the Top Winners of our Annual Awards
over the magazine's 25-year history

NEW YORK, June 4, 2012 – *Global Finance* magazine is proud to announce **The Winners' Circle** – the Top Winners from 25 years of the magazine's annual awards program.

"The world has changed dramatically since *Global Finance* first appeared in 1987. Global financial markets have undergone a seismic shift, and the firms and individuals that made it into our Winners' Circle are those that have shown their true mettle and transformed themselves to meet the demands of a changing environment," says *Global Finance's* publisher, Joseph D. Giarraputo. "We recognize these firms and individuals for their outstanding accomplishments over the past 25 years." *Global Finance's* annual awards program is a recognized and trusted standard for the entire financial world.

A full report on the winners will appear in the **Special Commemorative 25th Anniversary Issue**, released on June 25th, 2012. Award tallies are calculated to June 2012 issue. To compile the winners, we tallied winners/those taking first place over all of the years that a particular award was given. The winners lists comprise the top scorers in these tallies.

In the **Special Commemorative Edition**, we take an in-depth look at the leading events that guided the markets and sectors over which *Global Finance* has kept a watchful eye for the past 25 years. Plus—backed by market-leading research—we evaluate the trends that will govern these sectors and markets for the next quarter century.
