

Global Finance Names The World's 50 Safest Banks 2019

NEW YORK, September 17, 2019 — *Global Finance* has announced its 28th annual ranking of the World's 50 Safest Banks. The full list is included here and will be published in the November issue.

European banks dominate the top of the World's Safest Banks again in 2019, taking the first ten positions and 17 of the top 25. Germany's KfW is in the top spot for the ninth year in a row.

Asian banks put in a strong showing in the top 20 once again, led by Singapore's DBS Bank at #14 and followed by OCBC (#15), United Overseas Bank (#17), Korea Development Bank (#18) and Export-Import Bank of Korea (#19).

"We designed the Global Finance Safest Banks rankings as a tool to compare the stability and security of banks all across the world. This year, changing trade policies are having a dramatic impact on economies everywhere, as is continuing political turmoil. We take pride in offering this metric to aid readers in choosing financial institutions, especially when they seek to enter new markets," says *Global Finance* publisher and editorial director Joseph D. Giarraputo.

Global Finance's annual ranking of the World's 50 Safest Banks has been the recognized and trusted standard of financial counterparty safety for a quarter-century. Winners were selected through an evaluation of long-term foreign currency ratings—from Moody's, Standard & Poor's and Fitch—of the 500 largest banks worldwide.

In addition to the World's 50 Safest Banks, the full report also includes the following: World's 50 Safest Commercial Banks, Safest Banks by Country, 50 Safest Banks in Emerging Markets, Safest Islamic Financial Institutions in the GCC, and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America and Western Europe).

The full results of this exclusive survey will be published in the November issue of *Global Finance*. The top ten safest banks will be presented awards at a special ceremony to be held during the Annual Meetings of the IMF and World Bank in Washington DC at the National Press Club on October 19.
