Global Finance Announces Its 27th Annual Best Bank Awards And Names The Best Banks In Western Europe 2020

NEW YORK, March 13, 2020 – Global Finance magazine has announced its 27th annual awards for the World’s Best Banks. The honorees for Western Europe are presented here.

A full report on the selections will appear in the May issue of Global Finance and online at GFMag.com, with winners chosen in more than 150 countries across Africa, Asia-Pacific, Central & Eastern Europe, Latin America, the Middle East, North America and Western Europe. The May report will also feature selections for the Best US Regional Banks, the Best Islamic Financial Institutions and the World's Best Banks by Region.

The overall Best Bank in the World will be announced in the summer and published in the October issue, along with the Best Global Banks in more than a dozen key categories. The winners of this year’s awards are those banks that attended carefully to their customers’ needs in difficult markets and accomplished better results while laying the foundations for future success.

All selections were made by the editors of Global Finance after extensive consultations with corporate financial executives, bankers and banking consultants, and analysts throughout the world. In selecting these top banks, Global Finance considered factors that ranged from the quantitative objective to the informed subjective.

Banks were invited to submit entries supporting their selection. Objective criteria considered included: growth in assets, profitability, geographic reach, strategic relationships, new business development and innovation in products. Subjective criteria included the opinions of equity analysts, credit rating analysts, banking consultants and others involved in the industry.

“The banking industry is increasingly challenged by rising customer demands for safe real-time access with total control and broad flexibility,” said Joseph D. Giarraputo, publisher and editorial director of Global Finance. “For 27 years, the Global Finance Best Bank Awards have helped corporate treasurers and CFOs identify the banking partners most able to deliver top-notch financial services delivered via innovative technology.”
