## Global Finance Names The World's Best Derivatives Providers 2017

NEW YORK, February 16, 2017 – *Global Finance* magazine has named its World's Best Derivatives Providers for 2017 as part of our 18th annual Best Investment Banks Awards to be published in the April 2017 issue.

“Regulatory reforms have reshaped the derivatives market in recent years,” said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. “Our awards recognize investment banks that are successfully adapting in the still-evolving regulatory landscape while devising fresh solutions to support their clients.”

*Global Finance* editors, with input from industry experts, used a series of criteria—including market share, service and advice, structuring capabilities, distribution network, efforts to address market conditions, innovation, pricing and market reputation—to score and select winners, based on a proprietary algorithm. Contracts enacted in 2016 were considered.
